2. When receptionist is admitting a patient through IPD – the emergency bill amount which is getting transferred to IPD Ongoing bill is being added twice and the hence total bill in the billing page for that ongoing IPD bill shows double.
Consider the below example – I have attached screenshot as well:

- Test 4 was admitted to IPD – General Ward B though emergency – with a bill of INR 1200 (600 + 600) – refer to the screenshot below
